

2007 Ziraldo Riesling Icewine

“I want to create a brand honouring Canada's national treasure working in harmony with and respecting the ‘terroir’ of the Niagara Region.” ***.... Donald J.P. Ziraldo***

Tasting notes:

2007 Ziraldo Riesling Icewine displays strikingly expressive peach, apricot, and honey aromas that carry over onto the palate, with a superb balance of luscious texture and youthful acid backbone. Its impressive length and intensity reminds us how delicious a great Canadian icewine can be. Despite its youth, it is approachable now yet will reward the patient wine lover with added complexities over the next ten to fifteen years
