

# FERREIRA

# PORTO

## Gift Tin Year Round!

FERREIRA DONA ANTONIA has a beautiful intense red colour, with shades of tawny that recall its slow maturation in wood.

This unique reserve Porto has a very rich aromatic intensity, with rich ripe fruit and a floral touch complemented by the complexity deriving from oak ageing and oxidation.

Full-bodied and complex, Ferreira Dona Antónia is extremely well balanced and combines elegance with a delicate yet persistent finish.
