

CHÂTEAU DE MONTGUÉRET

AOC Crémant de Loire

Pale yellow colour with golden tints, enhanced with fines bubbles in columns. The Chenin grape provides the wine's smoothness, refreshing character and aromatic complexity while Chardonnay imbues it with floral notes ; it owes its structure to the mild tannins of the Cabernet Franc.

SUGGESTIONS : This refreshing aperitif makes an ideal prelude to any meal, the celebratory ingredient to accompany fine desserts and an elegant note on which to end the evening.

TORONTO LIFE

90 pts. "A welcome addition, based on the chenin blanc grape. Fine-boned, crisp but not austere, with subtle pear-quince fruit and mineral notes. Light bodied, very fresh; good length."
